The Mission of Joseph House

"Meet the needs of the homeless veteran suffering from addiction and provide them the support they need to maintain a lifelong commitment to recovery and thrive in the community."

★ We offer transitional housing at the Marx Center to all clients in our Halfway House program as well as in one of our five buildings for clients in the Ready and Forward program.

★ Marx Recovery Center provides outreach through our "Landing Zone" and through collaboration with other agencies in the local HUD Continuum of Care and VA Outreach Division. Up to 24 residents participate in our in-patient program certified by the Ohio Department of Mental health and Addiction Services.

★ Ready and Forward is a program for clients who have completed in-patient treatment and utilizes the 1:1:1 model, one program, one client, and one individualized solution. This includes a certified out-patient program as well as work on skills for reintegration. This while living in a more independent housing setting.

★ Joseph House started in 1994 as a counseling center for veterans living on the streets. In 1995 JH began housing up to five homeless veterans. By 1999 JH had two buildings and 16 beds. Today JH has seven buildings and 87 beds for homeless veterans all located in the Over the Rhine section of Cincinnati.

All proceeds support Homeless Veterans of Joseph House.
