

Position Description: Chemical Dependency Counselor

ABOUT JOSEPH HOUSE:

Joseph House is a progressive treatment facility serving veterans affected by addiction and homelessness. Located in the heart of the Over-the-Rhine district in downtown Cincinnati, Joseph House focuses on the treatment and recovery of veterans, reintegration into the community and promoting healthy, sustainable lifestyles.

Certified by the Ohio Department of Mental Health and Addiction Services, Joseph House offers transitional to permanent housing for up to 100 clients, in-patient and out-patient chemical dependency counseling and treatment programs, case management services and educational programs that stimulate employment opportunities, financial stability, relationship counseling and more.

Joseph House employs certified clinicians and counselors who treat each client as an individual, leveraging the agency's diverse network of experts and resources to maximize the ability of its programming to encourage and empower positive change.

POSITION: Chemical Dependency Counselor
